WEEKLY UPDATE

WELCOME CHURCH FAMILY AND GUESTS
Today, we welcome you to our church. If this is your first time joining us, please fill out the "Thanks for joining us today!" page in this bulletin or a Next Steps Response Card located in a seat pocket. Please return it to the welcome center for a complimentary gift. We would love to connect with your family and help you take your next step with Jesus.

SANCTITY OF LIFE SUNDAY
Today our church will be focusing on how we can help partner to protect the unborn in Hancock County by joining with the Women's Resource Center to collect spare change and other monetary donations through a baby bottle drive. You can pick up your bottle in the lobby and learn how your financial gift can help make a difference, educate others, and save a life. Please return your bottle by Sunday, February 23.

GRIEFSHARE BEGINS
If you have or are experiencing the grief from a loss, we invite you to join a Griefshare group. Griefshare is a Biblically-based group of caring individuals who will help walk with you through some of the darkest times of life. If you would like to join the group, please mark "interested in finding out about Griefshare" in a bulletin or next step card or sign up at mytbc.info under the Griefshare icon. Classes begin in February.

WALES TEAM & MISSIONS AUCTION
We are excited about the team of 15 that will be going to Wales this summer. We would love to partner with you to help sponsor the team in a variety of ways. You can personally support a team member by giving directly to the trip through your offering, online, or through our realm app. Be sure to mark "missions trip gift". On Sunday, February 23 at 5pm our church will host a missions auction and dinner to help benefit our missions trip team. Our missions auction is a blast every year and you can help us raise funds this year by attending the dinner and participating in our auction.

NEXT STEP WALL RESOURCES
Located in our CORE section, you will find topical guides and tools for building strong families and relationships. The MY PLAN tool is a quick appraisal you can use to see where you need to focus on and can help connect you to the resources located in both the life stage and special focus areas. There are even additional resources for families facing special challenges including military deployment and blended families. Pick up the MY PLAN tool, take the appraisal, and begin your journey to building a strong, God honoring family today.

The Rod or Meekness

1 Corinthians 4:14-21

As believers in Christ, we must understand the role of correction in the discipleship process and what is needed for that to take place. Correction takes these three elements.

1. _____. (V.14-15)

2. _____. (V.16-17)

3. _____. (V.18-21)

Missionary of the Week: Chris & Lucinda Radebaugh - Deaf in S. Africa

We have been teaching three times a week at St. Vincent School for the Deaf. This is in addition to the other services at church and on Zoom. We have been told that in the next school year, the Bible classes will be moved to Fridays. We'll be teaching several classes all on one day. This will be much easier on our schedule as we won't have to drive to the school three days a week. We praise the Lord for two deaf saved in the last few weeks. Karen has been attending church with her husband for a year. She trusted Christ at the end of November. One of the teens from St. Vincent visited our church on December 1, and he thoroughly enjoyed our service. Mosa talked with him in private, and he trusted Jesus as his Savior.
